Rainy night and worked all day
we both got jobs cause there's bills to pay
We got something they can't take away
our love, our lives

Close the door, leave the cold outside
I don't need nothing when I'm by your side
we got something that'll never die
our dreams, our pride

My heart beats like a drum (all night)
flesh to flesh, one to one (and it's alright)
and I'll never let go cause
there's something I know deep inside

You were born to be my baby
And baby, I was made to be your man

We got something to believe in
even if we don't know where we stand
only God would know the reasons
but I bet he must have had a plan
Cause you were born to be my baby
and baby, I was made to be your man

Light a candle, blow the world away
table for two on a TV tray
It ain't fancy, baby that's ok
our time, our way

So hold me close better hang on tight
buckle up, baby, it's a bumpy ride
We're two kids hitching down the road of life
our world, our flight

If we stand side by side (all night)
there's a chance we'll get by (and it's alright)
and I'll know that you'll be live
in my heart till the day I die

Cause you were both to be my baby
And baby, I was made to be your man

We got something to believe in....

Solo

My heart beats like a drum (all night)
flesh to flesh, one to one (and it's alright)
And I'll never let go cause
there's something I know deep inside

Cause you were...

We got something to believe in
even if we don't know where we stand
only God would know the reasons
but I bet he must have had a plan

Cause you were...

You were born to be my baby
and baby, I was made to be your man
