It feels like I'm walkin' on air  
Walk down our street  
When the neighbors stop to watch us going by  
You can hear 'em talking (let them talk)  
Sometimes I think that you're the only reason  
The sun still shines (when it shines)  
And when this wicked world starts bringing me down  
I tell myself that I'm one lucky guy

I got the girl (holding all the cards)  
I got the girl (she's a work of art)  
I got the girl (who's gonna break my heart)

She likes to wear her stripe with her plaids  
Won't brush her hair (I swear)  
She don't like wearing shoes in December  
But I don't care what she wears

I got the girl (holding all the cards)  
I got the girl (she's a work of art)  
I got the girl (who's gonna break my heart)

If I was a holy man I'd get down on my knees  
So the angels that watch over her would give a break to  
me  
Holy Mother of saint bubble gum and Sister band-aid  
knees  
Won't you please pray for the ones like me

But the truth is someday  
Somebody is gonna take her from me  
But the queen of hearts will always be  
A five-year-old princess to me (to me)

I got the girl (holding all the cards)  
I got the girl (she's a work of art)  
I got the girl (who's gonna break my heart)

I got the girl (she's gonna leave her mark)  
I got the girl (she's a work of art)  
I got the girl (she's gonna break your heart)  
I got the girl, oh yeah

I got the girl, I got the girl  
She's gonna...  
I got the girl, yeah  
I got the girl, I got the girl  
I got the girl
