Thanx noy, you died today  
I came home and found my mama crying  
The t.v had so much to say  
Somehow i was thinking bout dying  
I'm seventeen and thinking bout dying

I dont wanna live forever  
Just wanna know that I'm alive  
Dont wanna live forever  
Just until the day i die

I see my dad in his chair  
He sits there night and day  
The t.v still looks good as new  
My dad he's old and grey  
And it's scaring me to death  
I dont wanna go like him

I dont wanna live forever  
Just wanna know that im alive  
Dont wanna live forever  
Just until the day i die  
Just because your hearts still beating dont mean that  
your alive  
Dont wanna live forever  
Nobody lives forever  
Gonna get while im alive  
You see the glass half empty  
You see the glass half full  
But all i see are shattered dreams around this  
neighbourhood

Solo

My brothers girlfriends pregnant  
And today shes moving in  
My friends all play the lottery  
They swear one day they'll win  
I'm seventeen and thinking bout dying  
I'm seventeen and no way I'm dying

I dont wanna live forever  
Just wanna know that I'm alive  
Dont wanna live forever  
Just until the day i die  
Just because your breathing dont mean that your alive

I dont wanna live forever  
Nobody lives forever x 6
