If I was your mother  
Would you let me hold your hand  
Would you say you were my baby  
Would you always be my friend

If I was your mother  
Could I teach you what's right  
Could I tell you stories  
Maybe tuck you in  
And kiss you sweet goodnight

Tell me what I got to do  
To make my life mean more to you  
I could get so close it's true  
If I was your mother

Would you always believe me  
'Cause I'd wake up in the middle  
Of the night  
Just to see if you need me

Tell me there's no other  
To who you're telling your secrets  
And would you tell me  
'Bout all the boys you been  
Bringing home to meet me

Tell me what I got to do  
To make my life mean more to you  
I could get so close it's true  
If I was yours

Tell me who I got to be  
To make you a part of me  
There's no one else you'd never need  
If I was your

Mother, mother  
If I was your  
Mother, mother

When love is blood

You're never on trial  
Love don't get deeper  
Than a mother and child

Oh baby, I got to get that close to you

Tell me what I got to do  
To make my life mean more to you  
I could get so close it's true  
If I was yours

Tell me who I got to be  
To make you a part of me  
There's no one else you'd never need  
If I was your

Mother, mother  
If I was your  
Mother, mother

Mother, mother  
If I was your  
Mother, mother
