You want commitment
Take a look into these eyes
They burn with fire, yeah
Until the end of time
I would do anything
I'd beg, I'd steal, I'd die
To have you in these arms tonight

Baby I want you like the roses
Want the rain
You know I need you
Like a poet needs the pain
I would give anything
My blood my love my life
If you were in these arms tonight

I'd hold you
I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms
I'd love you
I'd please you
I'd tell you that I'd never leave you
And love you till the end of time
If you were in these arms tonight

We stared at the sun
And we made a promise
A promise this world would never blind us
These were our words
Our words were our songs
Our songs are our prayers
These prayers keep me strong
And I'd still believe
If you were in these arms

I'd hold you
I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms

I'd love you
I'd please you
I'd tell you that I'd never leave you
And love you till the end of time
If you were in these arms tonight

Your clothes are still scattered
All over our room
This old place still smells like
Your cheap perfume
Everything here reminds me of you
And there's nothing I wouldn't do

And these were our words
They keep me strong
Baby!

I'd hold you
I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms
I'd love you
I'd please you
I'd tell you that I'd never leave you
And love you till the end of time
If you were in these arms tonight
If you were in these arms tonight
If you were in these arms tonight
Baby!
Like the roses need the rain
Like the seasons need to change
Like a poet needs the pain
I need you, In these arms tonight
