Listen people can't you hear the voices that are crying
out.
There's a hunger burning in the heart of their souls.
Maybe now that I got you let me tell you what I'm talking
'bout
Stand up and shout tonight we'll lose control

I been down and mistreated
Now we're standing undefeated.
I'm the King of the Mountain
I'm the King of the Hill
I'm the King of the Mountain
I'm the King of the Hill

You spend your life working 9 to 5 it's like doing time
Boss man says "Hey boy, you'll never be no good"
With the night there's a magic in the air that makes us
come alive

Tonight's the night they can't put you down, no one
could.

I been down and mistreated
Now we're standing undefeated
I'm the King of the Mountain
I'm the King of the Hill
I'm the King of the Mountain
I'm the King of the Hill

Listen people can't you hear the voices that are crying
out.
There's a hunger burning in the heart of their souls.
Maybe now that I got you let me tell you what I'm talking
'bout
Stand up and shout tonight we'll lose control

I been down and mistreated
We won't be cheated
Now we're standing undefeated...
I'm the King of the Mountain
I'm the King of the Hill
I'm the King of the Mountain

I'm the King of the Hill
