She casts days away
And went to valentines
She says everygirl in past
Just a waste of time
You know (Wo-oo, Wo-oo)
She don't believe in miracles
I make believe
If people blind just could see
That she believes in me

Feels like I found a pocket full of gold
I'm lucky baby
So lucky baby
Lucky to be with you today
Lucky to be the one to say

I'm lucky baby
So lucky baby
Whenever I see your smiley face
Lucky to be the one being lucky

Now all of heaven's angels have to wave their wings
She likes cheap sunglasses and diamond rings you
know (Wo-oo)

She brings sunshine to a cloudy day
When we walk on by people stop and say
I'm lucky baby
So lucky baby
Lucky to be with you today
Lucky to be the one to say

I'm lucky baby
So lucky baby
Whenever I see your smiley face
Lucky to be the one being lucky

Guitar Solo

I'm lucky baby
So lucky baby
Lucky to be with you today

Lucky to be the one to say

I'm lucky baby, I'm lucky baby
I've got love until you found me
It only took one guess to see
What did I do to get to be

So Lucky baby, I'm lucky baby
Lucky baby, lucky baby

I'm lucky baby
So lucky baby
Lucky to be with you today
Lucky to be the one to say

I'm lucky baby, I'm lucky baby
Whenever I see your smiley face
Lucky to be the one being lucky
