A penny for your thoughts now baby
Looks like the weight of the world's on your shoulders
now
I know you think you're going crazy
Just when it seems everything's gonna work itself out
They drive you right back down

And you said it ain't fair
That a man walks
When a bird can fly
We have to kick the ground
The stars kiss the sky
They say that spirits live
A man has to die
They promised us truth
Now they're giving us lies

Gonna take a miracle top save us this time (ooh...)
And your savior has just left town
Gonna need a miracle 'cause it's all on the line
And I won't let you down
(No I won't let you down, ooh...)
The river of your hope is flooding
And I know the dam is busted
If you need me I'll come running
I won't let you down... no, no

You're looking for salvation
You thought that it'd be shining like an angel's light,
yeah
Well, the angels left this nation
And salvation caught the last train out tonight
He lost a hell of a fight

He said: "I'm just one man, that's all I'll ever be
I never can be everything you wanted from me
I've got big plans so big that any blind man could see
I'm standing in the river
Now I'm drowning in the sea

Gonna take a miracle top save us this time (ooh...)
And your savior has just left town

Gonna need a miracle 'cause your heart's on the line
And your heartbeat is slowing down (heartbeat's
blowing, ooh...)
Your feet are grounded still you're reaching for the sky
You can let 'em clip your wings 'cause I believe that you
can fly

[Solo (fly baby)]

Well my eyes have seen the horror of the coming of the
flood
I've driven deep the thorny crown into the soul of
someone's son
Still I'll look you in the eye 'cause I've believed in things
I've thought
And I'll die without regret for the wars I have fought

Gonna take a miracle top save you this time (ooh...)
And your savior has just left town
Gonna need a miracle 'cause your heart's doing time
And your conscience is calling you out (conscience's
calling, ooh...)
It ain't all for nothing
Life ain't written in the sand
I know the tide is coming
But it's time we made a stand with a miracle

Gonna take a miracle, I need a miracle
I need a miracle, I need a miracle
Na, miracle (miracle) oh...
