Cupid was a blind man
He must have a mistress ma
Shot an arrow in the air it hit me in the heart
I went to see saint valentine
Say whats come over me
Daddy must have missed a chapter about the birds and
bees
Peter king of diamonds
Cash in all your gold
You can hire Jonnny Cochran
Its too late to save your soul

CHROUS

Dont need no shock no ambulance
Dont need prescription drugs
There aint no cure for love
When you find the cure for the common cold
When the pushing comes to shove
There aint no cure forlove

Now someone cal my lawyer
Im going to see my shrink
I found myself in a jewellery store buying a diamond
ring
I went to see my doctor
Say wont you help me please
He said son Im sorry its a terminal disease
Cant get no love insurance
Cupid chose his bow
I aint waving boys Im drowning
Its a damn good way to go

CHROUS

You can be the king of diamonds
You can cash in all you gold
You can hire Jonny Cochran
Its to late to save your soul

CHROUS

No aspirin no ambulance
Whatever you think of

There aint no cure for love x 6
