They say that no man is an island  
And good things come to those who wait  
But the things I hear are there just to remind me  
Every dog will have his day

The spirits, they intoxicate me  
I watched them infiltrate my soul  
They try to say it's too late for me  
Tell my guns I'm coming home

I swear I'm gonna live forever  
Tell my maker he can wait  
I'm riding somewhere south of heaven  
Heading back to Santa Fe  
It's judgment day in Santa Fe

Once I was promised absolution  
There's only one solution for my sins  
You gotta face your ghosts and know with no illusions  
That only one of you is going home again

And I blame this world for making a good man evil  
It's this world that can drive a good man mad  
And it's this world that turns a killer into a hero  
Well I blame this world for making a good man bad

Now I ain't getting into heaven if the devil has his way  
I swear I'm gonna live forever  
Heading back to Santa Fe  
Got debts to pay in Santa Fe  
It's judgment day in Santa Fe  
Lord have mercy

[Guitar solo]

So I save a prayer when I need it most  
To the Father, Son and the Holy Ghost  
And sign it from a sinner with no name  
When I meet my maker  
Will he close the book on the hearts I broke and the  
lives I took ?  
Will he walk away 'cause my soul's too late to save ?

Now I ain't getting into heaven  
If the devil has his way  
I swear I'm gonna live forever  
Heading back to Santa Fe  
Got debts to pay in Santa Fe  
It's judgment day in Santa Fe
