I never went to college
I don't have a degree
Let's say I went to night school
I learned all I know on the streets
I wasn't born a rich man
I ain't got no pedigree
The sweat on this old collar
That's my Ph. D.

It comes down to this
I wouldn't exist
Without you it ain't worth the crime
I'd fight for one kiss
On a moon night like this
You make me feel I could fly, like

I can save the world
Since the night your love saved me
Maybe I can't save the world
But as long as you believe
Maybe I can save the world

I got to confess
Sometimes I'm a mess
And sometimes I step out of line
Like this old tattoo
I ain't shiny or new
With you by my side nothing matters

I can save the world
Since the night your love saved me
Maybe I can't save the world
But as long as you believe
Maybe I can save the world

They can say it's blind love
But it's a fool who don't believe
That I'd fly all the way to the moon
Just to walk you down your street

I could save the world
Since the night your love saved me

Maybe I can't save the world
But as long as you believe
Our love is even stronger
Than God hoped it could be
Baby, all it takes is
Just a little faith in me
To feel like
I can save the world
I can save the world
