What more can I do?
There's nothing I haven't tried
Still it's so hard for her to notice
I've tried hard to be straight
There's nothing left I can say
If only she would look my way

She don't know me, she don't know
She don't see me, she don't care
She can't hear me, she can't hear
Cannot help me, she don't want
She don't want me, like I want her
Like I want her, I gotta tell her
Got to tell her, That I love her
That I love her
She doesn't even know my name

I dream of when she'll be mine
I dream of crossing that line
And holding her so tender
Dreaming it could come true
So many things I could do
If only you'd give me a chance

She don't know me, she don't know
She don't see me, she don't care
She can't hear me, she can't hear
Cannot help me, she don't want
She don't want me, like I want her
Like I want her, I gotta tell her
Got to tell her, That I love her
That I love her
She doesn't even know my name

She don't know me, she don't know
She don't see me, she don't care
She can't hear me, she can't hear
Cannot help me, she don't want
She don't want me, like I want her
Like I want her, I gotta tell her
Got to tell her, That I love her
That I love her

She doesn't even know my name
