Shot through the heart,

And you're to blame

Darling, you give love

A bad name.

An angel's smile is what you sell

You promised me heaven and put me through hell.

Chains of love got a hold on me

When passion's a prison you can't break free.

OH! Your love is gone ... yeah

OH! There's nowhere to run

No one could save me, the damage is done!

Shot through the heart,

And you're to blame

You give love a bad name

I played my part, and you played your game

You give love a bad name.

You give love a bad name.

You paint your smile on your lips

Blood red nails on your fingertips.

A school boy's dream, you act so shy

Your very first kiss was your first kiss goodbye.

WHOA! Your love is gone

WHOA! There's nowhere to run

No one could save me the damage is done.

Shot through the heart,

And you're to blame

You give love a bad name

I played my part, and you played your game

You give love a bad name.

You give love...

INSTRUMENTAL

OH! Shot through the heart

And you're to blame

You give love a bad name.

I played my part, and you played your game

You give love a bad name.

Shot through the heart

And you're to blame

You give love a bad name.

I played my part, and you played your game

You give love a bad name.

You give love...

You give love... bad name

You give love...

You give love... bad name

You give love...

You give love... bad name
