What you gonna say about me that I ain't already  
thought  
What you gonna try and sell me that I ain't already  
bought  
You wrap yourself up in my colors, ain't I the one you  
love to hate  
You reel me in just to run me over, I bend but I don't  
break

Hey, hey  
I'm my father's son, I'm a son of a gun  
I won't back down  
I'm still standin', I'm still standin'  
I got my feet on the ground  
I'm still standin', I'm still standin'  
I ain't givin' in, figure it out

I'm wild and I'm free, I'm stubborn and proud  
I'm raisin' these hands, gonna shout out loud  
I'm still standin'

You know me, my hands are dirty; I ain't here to pound  
my chest  
You'd just as soon kill as kiss me, do your worst, bring  
out my best  
I ain't gonna fade for no one, I ain't gonna give an inch  
I push when the wind is blowin'

Hey, hey  
I'm a song of a bitch, don't take no shit  
I won't back down  
I'm still standin', I'm still standin'  
I got my feet on the ground  
I'm still standin', I'm still standin'  
I ain't givin' in, figure it out

I'm wild and I'm free, I'm stubborn and I'm proud  
I'm raisin' these hands, gonna shout out loud  
I'm still standing

- Solo -

I won't back down  
I'm still standin', I'm still standin'  
I got my feet on the ground  
I'm still standin', I'm still standin'  
I ain't givin' in, figure it out

I'm wild and I'm free, I'm stubborn and I'm proud  
I'm raisin' these hands, gonna shout out loud  
Won't push me around  
Just look at me now  
I'm still standing
