She can steal the stars and the moon
She can kill you with a wink of an eye
She's not like those other girls who fall in love the very
first time.
She's so young, she's old enough for me,
And she's so shy, it's a love that I'm gonna see

This woman is dangerous,
She'll break your heart and keep you runnin' back for
more.
This woman is dangerous,
But I'm gonna love her like she's never been in love
before.
This woman is dangerous,
I'm just another fool waitin' outside her door.

She knew who were the men and who were the boys,
She could tell you what they want by the price of their
toys.
She'd play those game of love, she made a little bit a
lot of fun
She started messin' your head up, you're playin' with a
loaded gun

This woman is dangerous
She'll break your heart and keep you runnin' back for
more.
This woman is dangerous,
And I'm gonna love her like she's never been in love
before.
This woman is dangerous,
I'm just another fool waitin' outside her door.

She'll take you, break you, theres magic in her kiss
I don't know how many nights I'll go on like this.
Her touch is warm, her heart is cold, she'll cut you like
a knife.
But it don't matter what she is, cause I want her in my
life.

This woman is dangerous.
She'll break your heart and keep you runnin' back for

more.

This woman is dangerous,
And I'm gonna love her like she's never been in love
before.

This woman is dangerous,
I'm just another fool waitin' outside her door.
