That was my brother lost in the rubble  
That was my sister lost in the crush  
That was our mothers, those were our children  
That was our fathers, that was each of us  
A million prayers to God above  
a million tears make an ocean of

One for love  
One for truth  
One for me, one for you

I found spirit, they couldn't ruin it  
I found courage in the smoke and dust  
I found faith in the songs you silenced  
Deep down it's ringing out in each of us  
Yeah...Yeah, Yeah,Yeah, Yeah

One for love  
One for truth  
One for me, one for you  
Where we once were divided  
now we stand united  
We stand as one oh oh oh  
Undivided  
How many hands? How many hearts?  
How many dreams been torn apart?  
Enough, enough...the time has come to rise back up as

One for love  
One for truth  
One for me, one for you  
Where we once were divided  
Now we stand united  
We stand as one oh oh ... undivided  
Undivided  
Undivided

One for love  
One for truth  
One for me, one for you  
Where we once were divided,  
Now we stand united

We stand as one... oh oh undivided
