Yeah!
All Together Now
Yesterday was a memory, of might have been
But rock 'n' roll never forgets, forgives or regrets
Nothing comes easy - All Toge-ether Now
Yesterday was your hair so lo-ong, an old love song
And photograph of you, singin' the blues
Nothin' comes easy - All Toge-ether Now
Just like that (ah-ah) - it turns around (ah-ah)
Aint it funny, how the walls start fallin' down
Were gettin' it, All Toge-ether Now
Part of the crow-owd, gettin' it All Together Now
Come on take a bow-ow, shout it out lou-oud
All Together Now
Yesterday was an endless chain, fire an' rain
And a little shout of rhythm and blues, but nothin' to
lose
Nothin' comes easy - All Toge-ether Now
Just like that (ah-ah) - it turns around (ah-ah)
Just like that, you get your feet back on the grou-ound
You're gettin' it All Toge-ether Now, part of the crow-
owd
You're gettin' it All Together Now
Come on, take a bow, and shout it out lou-oud
And were All Together Now
(Ah-ah, ah-ah)
Oh-oh, we're All Together Now-ow
Part of the crow-owd, gettin' it All Together Now
Come on take a bow-ow, come and shout it out lou-oud
That were All Toge-ether Now
All Toge-ether now, part of the crow-owd
Gettin' it All Together Now
(Ah-ah) Shout it out lou-oud
That were All Toge-ether Now
All Together Now (ah-ah)
And we're All Together Now
Come on take a bow, shout it out lou-oud
And we're All - Together - Now
