Carmilla are you still there-ere, I heard you whisperin'
on the stair-air
I felt you callin' me at ni-ight, I see your face by the
firelight
Carmilla come back agai-ain, The man in the mirror
said you're my frie-iend
But they wont listen to a word I say
They just shake their heads and walk away-ay
Oh yeah-eah, Carmilla, show them it's true-ue
They wont believe me when I tell them it's you
Cant fool me, I know-ow, I know, I know, I know, you'll
never go-o
Oh Carmilla I bear-ear the scar-ars, Of sharp kissin'
under the star-ars
I heard your laughter from far away-ay
What is the reason for the games you play
Carmilla stop taunting me, Your dark beauty is
haunting me-ee
And Im too weak to get out of bed
I'm all white and cold from the tears Ive ble-ed
Oh-oh Carmilla show them you're real, Make them
understa-and how I feel
Don't fool me, I know-ow, I know, I know, I know, you'll
never go-o
Carmilla I know-ow, I know what you are
Carmilla-a
Oh Carmilla
Carmilla, come back again, Give me the power, make it
end
Come and kiss me and drink my wi-ine
Well be together till the end of ti-ime, oh-oh
Carmilla well fly away
We'll just run at night and sleep by day
And I'll know-ow, I'll know-ow, I'll know, I'll know, I'll
know
I-I'll know, I'll know-ow, Carmilla you'll never go-o
You'll never go, Carmilla-a
Carmilla, I'll know-ow, that you'll never go-o
I know what you are-are
Carmilla
