All my days and my gamblin' ways
Their a part of me-ee
You can't change them anyway-ay-ay
And all my lies and my late night eyes
Just those foolish things
Broken hearts and golden ri-i-ings
I don't mea-ean to make it sound so bad
It's just I want to be sure-ure
Remember
Hold tight, get your love right
See yourself in the mornin' li-ight
Hold tight, get your love right
See yourself in the mornin' li-i-i-ight
All my fights and my out of mind nights
Not so far away-ay
It seems like only yesterday-ay-ay
All those times that I left you-ou behind
That's the way I a-am
Sometimes I just don't give a da-am
That don't mean that I don't care for you-ou
What I fee-eel, I think is lo-ove
Remember
Hold tight, get your love right
See yourself in the mornin' li-ight
Hold tight, get your love right
See yourself in the mornin' li-i-i-ight
Ooh, but that don't mean that I don't care for you
What I fee-eel, I think is lo-o-ove
It's just that sometimes I find that I'm the only one
And I'm thi-inkin'
Hold tight, get your love right
See yourself in the mornin' li-ight
Hold tight, get your love right (get your love ri-ight)
See yourself in the mornin' li-ight
Hold tight, get your love right (get your love ri-ight)
See yourself in the mornin' li-ight
Hold tight, get your love right
See yourself in the mornin' li-ight
Hold tight, get your love right (get your love right)
