### "Knock Yourself Out"

It's something unattainable  
That you can't live without  
And now the unexplainable  
Has you riddled with doubt

Things began, things decay  
And you've gotta find a way to be okay  
But if you wanna spend the day  
Wondering what it's all about  
Go and knock yourself out

Why we're put in this mess  
Is anybody's guess  
It might be a test  
Or it might not be anything  
To be too worried about  
But if you're still in doubt  
Go and knock yourself out
