"Same Mistakes"

I got tired, I killed it through and through

I don't wanna make the same mistakes

The same mistakes with you

I didn't lie, but I withheld the truth

I don't wanna make the same mistakes

The same mistakes with you

The line is thin between a selfish act

And things you do to keep yourself intact

I could name a few

I did a lot that I could not undo

I don't wanna make the same mistakes

The same mistakes with you
