He wants to dream like a young ma-an
With the wisdom of an old ma-an
He wants his home and security-y
And he wants to live like a sailor at sea-ea-ea-ea

Beautiful loser-er, just where you gonna fa-a-all
When you realise you just don't need it a-all
Ah, you just don't need it a-a-a-a-all
No you don't need it all

You can try 'em on

And he's your oldest and your best frie-iend
And if you need him, he'll be there agai-ain
He's always willin' to be second be-est
He's a perfect lodger and a perfect guest

And he's a beautiful loser-er, just bleedin' on the wa-a-
all
And you realise you just don't need it a-all
Ah, you just don't need it a-a-a-a-all
No you don't need it all

No-no-o, you're a beatiful loser-er, bleedin' on the wa-
a-all
'Cause it's easier and faster when you fa-all
Ah, you just don't need it a-a-a-a-all
No you don't need it all

And you can try it on - but you'll never get it a-all

I said Lord, you never make any enemies, no enemies
it a-all
And you won't complain till you're down on your knee-
ees
And you got you busted it up, talkin' about it
Ah-ahh, beautiful loser, beautiful lover

I will Lord, I said Lord you'll always feel
You're always so pleadi-in'

And you won't complain till you're down on your knees
And you're busted out
Ah-ahh, beautiful, beautiful loser I know-ow
Got to, got to be real
Dance mama, dance it up mama
Dance it up, talk it up
Beautiful
