Got my soul together, off to the Inn on Mai-ain  
To play my song forever-er, you let me in the ba-and  
But left right and centre, I tried 'em a-all  
If you're a rock'n'roll inventor-or, don't you call...

'Cause down in Frisco, they yell for disco  
Don't know what for, yeah, I only know that they yell for  
more  
In Frisco, they live for disco, remember war, yeah  
The Cisco Kid don't rock no more in Frisco...

Moved back when they told me, my music's got no sou-  
oul  
So I played 'round with the rhythm, (?.....?)  
With a groovy back beat, I got to them a-all  
And now they play my song on Main Street, now they  
call

'Cause down in Frisco they yell for disco  
Don't know what for, yeah, I only know that they yell for  
more  
In Frisco they live for disco, remember war, yeah  
But the Cisco Kid don't rock no more in Frisco...

Cisco Kid, San Francisco (Cisco Kid)  
Cisco Kid, San Francisco (Cisco Kid)

'Cause down in Frisco they yell for disco  
I don't know what for, yeah-eah  
I only know that they yell for more  
In Frisco they live for disco, remember war, yeah  
Well the Cisco Kid don't rock no more  
In Frisco they yell for disco  
I don't know what for, yeah-eah  
I only know that they yell for more  
In Frisco they live for disco, remember war, yeah  
Well the Cisco Kid don't rock no more  
In Frisco they yell for disco  
I don't know what for, yeah-eah  
I only know that they yell for more  
In Frisco they live for disco, remember war, yeah

Well the Cisco Kid don't rock no more  
In Frisco [fade]
