Hail all hail, to the revo-olution  
We are young, we are one, we are me-en  
Walk on with me, I will lea-ead you to glory  
We can fight for your right - once again

Pass on a message to those who really care  
Tell them we'll be comin' soon, believin', not beware  
Give us a hand, help us to stand, we've a long, long  
way to go-o  
Hopes crystallize, spread wings and flies and melts  
away like snow-ow

Deep in the forest on a dark and rainy night  
Creepin' through the undergrowth, you look for heat  
and light  
And your body's chilled and your head is filled with one  
thought to survive  
Then the lightning flashes and the thunder crashes  
and you try to stay alive

Yeah, run into the sports store, get yourself a twelve  
bore  
Double quick, double kill, double shot gun  
These ain't kids toys, make a not of noise boys  
Got a lot of trouble with your double shot gun  
Yeah-yeah-yeah-eah, I know, you better believe it

Well a constitution, revolution, we're gonna change 'em  
now  
Walk up tall with pride, don't crawl and make one hell  
of a row  
While the fat cats dance and take their chance, they'll  
tread you to the dirt  
It's them that's takin', it's you that's makin', someone's  
gonna get - hurt

Take a run into the sports store, get yourself a twelve  
bore  
Double quick, double kill, double shot gun  
These ain't kids toys, make a not of noise boys  
Got a lot of trouble with your double shot gun

Yeah-eah, I know, I know, I know, I know, I know, ooh I  
know

Hail all hail, to the revolution, we are one, we are  
young, we are me-en  
Walk on with me, I will lead you to glory, we can fight  
for your right  
Once again, and again and again and again and again,  
and again, and
