And you know she's gonna make it come hell or high
wa-ater
Scramble to the top no matter what they tau-aught her
Burnin' all her bridges, come hell or high wa-ater
Scramble to the top no matter what they tau-aught her,
mmm

When baby ran out of promises, she got red-eyed and
tried to sleep
She used to sneak out back, down to the track
And run like a dog on the stree-eet
And her and me, we'd just shoot the breeze
Dreamin' 'bout everything she wanted to know-ow
Till the light in her eyes was shining - but God it seems

She knows she's gonna make it, come hell or high wa-

Burnin' all her bridges, come hell or high wa-ater
Scramble to the top no matter what they tau-aught her,
ooh

yesterday-ay
We shared tea and frozen smiles, we were thinkin' of
things to say-ay
We were erasing all the memories that time goes and
locks away-ay
But all the broken dreams and the promises just kept
gettin' in our way-ay

But I guess - some things never change

Ow, she knows she's gonna make it, come hell or high
wa-ater

Scramble to the top no matter what they tau-aught her
Burnin' all her bridges, come hell or high wa-ater
Scramble to the top no matter what they taught her,
oh...

Come hell or high water, he'l
