Silk sheets and velvet nights, soarin' to devastatin'
heights
Love is the the fire and you are the war-ar-armth, oh-oh
I'm only friends you've blessed, born for a night like
thi-is
We came together, it makes me feel you-ou-oung, oh-
oh

'Cause it's good and it's right, so baby, hold on ti-i-ight
We'll try to hold back the ni-ight
We'll try to hold back the night
Every touch, makes me feel, nothin' else is rea-ea-eal
We'll try to hold back the ni-ight
We'll just try to ho-old back the night

Will I still find you here when the mor-ornin' hears my
prayers
I can feel your heart close to mi-i-ine, oh
So say you won't leave unti-il, we make the night stand
still
Ain't a stranger to love, it feels like the first ti-ime

'Cause baby it's good, and it's right, so baby, hold on
ti-i-ight
We'll try to hold back the ni-ight
We'll try to hold back the ni-ight
Every touch, makes me feel, nothin' else is rea-ea-eal
We'll try to hold back the ni-ight
We'll just try to ho-old back, hold back the night, ah-hah
We'll hold back the night
Hold it on tight, ahh..., hey

We'll hear the noise fill the stree-eets
We'll watch mornin' fall at our feet
There'll be a light in the shade
There'll be no where to ru-u-un
Baby, you got me all the feelin's of bliss
I was born for a night like thi-is
You make me feel good
You make me feel you-ou-oung

'Cause it's good, and it's right, so baby, hold on ti-i-ight
We'll try to hold back the ni-ight
We'll try to hold back the ni-ight
Baby touch, baby feel, nothing else is rea-ea-eal
We'll try to hold back the ni-ight
We'll just try to hold on back, ho
