Now I can tell ya how I feel
A broken heart is hard to heal
There's still so much for me to do-oo
And to know-ow, and to be-ee, and to feel
Woh-oh-oh-woh-oh-oh, baby

If you think you're groovy-y
You don't even move me-ee
But there's no denyin'
If you said it to be true-ue-ue-ue-ue, (woh...)

In my dreams I can't concea-ea-eal
My dreams are real but so are you-ou-ou
And now my dreams have really cha-anged
And rearranged
They're still for two-oo, but not for you-ou
Woh-oh-oh-woh-oh..., baby

If you think you're groovy-y
You don't even move me-ee
There's no denyi-ing
If you said it to be true (oh...)

Oh you know you make me feel so goo-ood
Oh-oh, and I knew you wou-ould
But now I know what you're about
'Cause honey I found out (I found out)
I found out (I found out)
I found it a-all ou-out, now baby

If you think you're groovy-y
You don't even move me-ee
There's no denyi-in'
Since you said it to be true, ba-a-abe (ahh...)
Since you said it to be true, ba-a-abe
Since you said it to be true, ba-a-abe (ahh...)

Now ba-aby, if you think you're groovy-y
You don't even move me-ee (you're layin')
There's no denyin' (hah-hah-hah, baby)
If you think you're groovy (groo-oovy, groo-oovy)

You don't even move me (like you used to do)
There's no denyin' (no, no, no, baby)
If you think you're groovy-y
You don't even move me-ee-ee (no, no denyin')
And there's no denyin' (like you used to do)
If you think you're groovy (oh ba-aby)
You don't even move me [fade]
