Walkin' through the city early mornin' Sunday, feelin'
fine
I got a dollar in my pocket and a belly full of rough red
wine
People stare then look away but I stare back at them
and say

That it's - just the way I am
I was born a travellin' ma-an
Luck ain't in my ha-ands
But I'm happy the way I a-a-am

Well I'll hang around 'til 10 o'clock then head down to
the public bar
10 cents and a beer-er and I'll play anything on my
guitar
And if it turns out a sunny day, well then, I might play it
anyway

'Cause it's - just the way I am
I was born a travellin' ma-an
Luck ain't in my ha-ands
But I'm happy - the way I a-a-am
I'll play it now

And if it turns out a sunny day, well I might play it
anyway

'Cause it's just the way I am
I was born a travellin' ma-an
Luck ain't in my ha-ands
But I'm happy - the way I a-a-am

Well, one day if I feel it, then I might just stop and
settle down
Somewhere nice and peaceful like a shady little border
town
Until then I'll walk the night, don't fret for me sir, I'm
alright

It's just the way I am

I was born a travellin' ma-an
Luck ain't in my ha-ands
But I'm happy - the way I a-a-am

I'll walk it now - Keep on walkin' - Got to keep movin' -
Yeah
Keep on movin' - Got to keep walkin' - Walk on down the
line
Just the way I am
