I've got my li-ife, you've got your li-ife  
We don't see eye to eye, but that's a-alright  
You've got your duty, I've got my dreams  
Don't call me crazy, I was born in a spin  
Came this warnin', lines on my face  
Why do you bother what I do to me  
My eyes are sinkin', it's got me thinkin'  
Hold on the night, come on set me free

What you're doin' - everyday-ay, seems like wastin' a  
lifetime away-ay  
You've got the night, it feels right, and you can't take it  
away

Move better in the night (move better in the night)  
I can't dance in the daylight (dance in the daylight)  
Come on rhythm, make me feel right (ooh-ooh)  
I move better in the night

I'm slickin' my hair down, shades on my eyes  
It's time to make it down to Cafe Jive  
They're open at eight, we're goin' la-ate  
Leave off the troubles, I can't wait

No, what you do-oo - everyday (everyday-ay),  
seems like wastin' a lifetime away  
You've got the night, it feels right,  
but you can't take it away, hey-ey-ey

Move better in the night (move better in the night)  
I can't dance in the daylight (dance in the daylight)  
Come on rhythm, make it feel right (ooh-ooh)  
I move better in the night  
I can't dance in the daylight (dance in the daylight)  
Come on rhythm, make me feel right (ooh-ooh)  
Move better in the night - ow-ow-ow

Ooh-ooh, what you do-oo everyday (ahhh),  
seems like wastin' a lifetime away-ay  
You've got the night, it feels right, you can't take it  
away, Hey

Move better in the ni-ight (move better in the night)  
I can't dance in the daylight (dance in the daylight)  
Come on rhythm, make me feel right (ooh-ooh), move  
better in the night  
I can't dance in the daylight (dance in the daylight)  
Come on rhythm, make me feel right (ooh-ooh)  
Move better in the night - ow-ow-ow...
