Thank you!

A few more hands for this one now
If we clap our knuckles, stop the rain
Movin' in time, feelin' right

Well I tell ya
I'm in slow motion, when I cross every ocean - nights in
paradise
Beyond the horizon, I came with my eyes open - nights
in paradise
With no hesitation, gonna take a vacation
Just what I needed, yeah
See my life is a soapbox and I was a speaker
But don't try to heed it

So open your heart, my love will surround you
I swear by the trees and the stars all around you
Woman your tender, so baby surrender - to night's in
paradise

I came, I saw-aw, you talkin' abou-out sorrow
Tastin' your lo-ove, can you catch it by tomorrow
Talkin' to my girl
Nights in paradise, feelin' alright
Nights in paradise, love you all night
Nights in paradise - tonight...

Before I die, gonna say a goodbye to - nights in
paradise
Midnight to seven, I've laid it in heaven - feelin' so nice

Oceans of people are tremblin' behind me
Without them knowin' it
Just the, the magic in your eyes, the touch of your hand
And the feelin' when your glowin'

So open your heart, my love will surround ya
I swear by the trees and stars all around you
No more, you can't help me so baby surrender - to
nights in paradise
I've pain in my so-ole, just talkin' about sorrow

She's catchin' my love, catchin' my tomorrow

I'm talkin to my girl

Nights in paradise, feelin' alright

Nights in paradise, love you all night

Nights in paradise, feelin' alright

Nights in paradise, lovin' you all night

I came, I saw-aw, you talkin' abou-out sorrow

Tastin' your lo-ove, can you catch it by tomorrow-a
