And when you walked away-ay  
The world and I were ready gir-irl  
To see you ca-all  
To see you get down on your knee-ees  
To me and craw-awl  
And beg me to take you back agai-ain

But that was yesterday-ay  
A tried and lonely moment  
In a world of drea-eams  
The proud and stupid arguments  
And childish sche-emes  
Of a man who sits and waits alone for you

See I've been walkin' all day long  
Just thinkin' of this song  
To let you know that I miss you  
The way I do  
If you can find it in your heart  
Won't you give me another star-art  
And girl I'll walk across the world for you-ou

Oh, if I could hold you now  
For only just one moment you could understa-and  
Just what turned a lovin' soul into a foolish ma-a-an  
And if you could only hear me once again

See I've been walkin' all day long  
I've been thinkin' of this song  
Just to let you know that I miss you  
The way I do  
If you can find it in your heart  
Won't you give me another star-art  
And girl I'll walk across the world for you-ou

See I've been walkin' all day long  
Just thinkin' of this song  
To let you know that I miss you  
The way I do  
If you can find it in your heart  
Please give me another star-art

And girl I'll walk across the world for you-ou  
Walk it all for you-ou  
Walk it all for you-ou  
Walk across the world for you
