God is my shepherd
I won't be wanting
I won't be wanting
He makes me rest in fields of green with quiet streams
Even though I walk through the valley of death and
dying
I will not fear 'cause you are with me
You are with me

Your shepherd staff Comforts me
You are my feast in the presence of enemy
Surely goodness
Will follow me
Follow me
In the house of God, forever

God is my shepherd

I won't be wanting
I won't be wanting
He makes me rest in fields of green by quiet streams
Even while I'm walking through the valley of death and
dying
I will not fear 'cause you are with me
You're always with me

Your shepherd staff comforts me
You are my feast in the presence of enemy
Surely goodness will follow me
follow me
In the house of God, forever
In the house of God, forever
In the house of God, forever
