I can see it in your eyes girl  
That you're in the mood for love  
So I light some candles, pour some wine  
Come sit down on the rug

But there's something I must tell you, babe  
Before we take this step  
Something about me girl  
That you do not know yet

I have no penis  
It was torn off  
In a bicycle accident  
In nineteen ninety nine  
I also lost one testicle  
So all I have is a weird ball  
And a rubber tube, between my legs  
But babe, I can love you in different ways

I'll make love to you with the rubber tube  
That I use for urinating  
I'll just tape to Popsicle sticks around it  
Make it easier for penetrating

And having only one ball  
Isn't always a bad thing  
It's like a pool ball in a pillow case  
It's like a cherry on a sundae

'Cause girl  
I have no penis  
I have no cock  
If it looks like I have a ball  
Just 'cause I stuff it with a sock  
Girl, I know that you're afraid  
But I promise, baby, if you stay  
That I'll put a cucumber in the microwave  
And babe, I will love you in different...

... ways  
Just because I don't have cock

It doesn't mean I can't rock  
Just because I don't have cock  
It doesn't mean I can't rock  
Just because I don't have cock  
It doesn't mean I can't rock  
Don't be fooled by my lack of cock  
I'm still  
O-o-oh yeah
