Oh my god did you hear about Michael Jackson?
Yeah I heard about Michael Jackson, it's crazy right?
Yeah I can't believe it
All of a sudden the media is on his side
I know it's crazy right?

Michael Jackson is dead, don't pretend you give a shit
You mother fuckin hypocrites remember what you said
he did
Michael Jackson is dead, no you never gave a shit
So why are you pretendin you mother fuckin hypocrites

Michael Jackson's such a freak, you'd hear it a
thousand times a week
On every fuckin TV screen and on every fucking
magazine
Yeah sure we liked him for a while, for a few years
when he was in style
Then someone said he's a pedophile and fuckin boys is
what makes him smile
Then there was a punchline everyday about his
Skeletor-like face
And how he loved 12 year old balls, we didn't care if it
was true or false

So don't pretend that you give a fuck
Keep talking about how he sucked 12 year old cock
And went from being a cute little black kid and died as
a white skeleton robot

Michael Jackson is dead, don't pretend you give a shit...

Remember when he dangled his kid from a balcony,
I wasn't here when you called him legendary
And when we heard that shit about the Caulken kid
We said oh my god Jacko's mother fuckin sick
He likes fucking kids! He likes fucking kids!
Nobody was talkin bout his music
Now if I said he died choking on a kid's dick
You'd say "oh my god that's so offensive!"

Well fuck you, you mother fucking cunt ass bitch

Everyone in the news you hit the mother fucking
On your high horse sayin I'm a demon
Cause I say you overdosed on a boy's semen

Michael Jackson is dead, don't pretend you give a shit...

Oh we're so sad that Michael passed away, we loved
him so much
Really, really did you love him? Cause from where I'm
standing it kind of looked like you hated him
And that you called him a freak and that you wanted
him to die
But now that he's dead you love him and he's a legend
Oh he's so amazing, oh we love Michael Jackson!
How bout you go fuck yourself, you big bunch of fuckin
hypocrites

Here's I'm gunna do this for you...
Billie Jean was not his lover
Of course she wasn't, she had a vagina
And she was older than 12 years old
Fuck you hypocrite!
