I'm a stay at home dad  
I'm on paternity leave  
I'm a stay at home dad  
It's just the baby and me

I'm a stay at home dad  
While my wife's at work  
I got a bottle in my hand  
And spit-up on my shirt

Baby wakes me up around 5am  
Kickin and screamin until his face turns red  
He usually tends to calm down once he's fed  
So I give him his bottle my wife gets out of bed

Cook my wife breakfast while she's getting ready  
Uh-oh uh-oh, someone's diaper is smelly  
Uh-oh uh-oh, it leaked all over his belly  
Uh-oh uh-oh, it looks like mustard and jelly

Kiss my wife good-bye while I clean up his bum-bum  
It's time for his bath this is gonna be fun fun  
I tried not to get soap in his eyes  
He really doesn't like it, it makes him cry

But if he cries, to make him stop I've got a trick  
I'll make funny noises with my mouth like this  
(Makes noise with lips) ga ga goo goo ga ga ga  
Then we play peek-a-boo it makes him laugh

I'm a stay at home dad  
It's a full time job  
I'm a stay at home dad  
But I like it a lot

I'm a stay at home dad  
During his afternoon nap  
I watch The Price Is Right  
And I make myself a snack

Cheese and crackers!  
If I have errands to run I take the van

Strap him in his car seat  
And bring his baby bag

I always make sure his seat's well strapped in  
My baby's security is important  
Groceries, pay some bills, visit grandma  
But I gotta be sure to make it back by 4 'o' clock

So I can prepare supper while I watch Oprah  
What should I make tonight? Maybe some pasta  
And a Caesar salad, my wife will like that  
5 o' clock's the time that she gets back

She asks me how my day was I say not bad  
It's all in a day's work as a stay at home dad

I'm a stay at home dad  
I don't take drugs  
I'm a stay at home dad  
I get high on baby hugs

I'm a stay at home dad  
I'm like Winnie The Pooh  
But my favorite Disney movie  
Is the Lion King Two

I also like Ice Age...

That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children  
That's right I take care of my children
