In the planet of Earth I am the most famous person of  
the world  
Everybody knows who I am even the people who don't  
know who I am  
Because

I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
A lot of people know I exist  
I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
You are not so you are shit

All around the world people know who I am  
Even in the Chinese countries like Japan  
North South East West to East  
I make their panties wet like basements in New Orleans  
In the France language girls say "Montre moi tes  
genitals! "  
Spanish girls also say things but I don't know  
What they are talking about cause I don't speak  
Spanish at all  
They are probably talking about how my penis is super  
not small  
I led the vaginist revolution in Russia  
They call me the cockodile hunter in Australia  
Wait that sounds like I hunt penises  
I don't, I do chicks  
In Iraq they found "WMD's", women on my dick  
I am Osama Bin Semen the vaginal terrorist  
On 69/11  
I took down two chicks  
And the third girl inexplicably collapsed on her own  
Sorry I just watched loose for change, the pornspirasy  
video  
German girls devoured my frank-squirter in Germany  
I raised my rod in Egypt and I split the Red Sea

By that I mean I had sex with a girl on her period that's  
right  
I don't mind ketchup on my hot dog as long as the bun  
is tight  
In England girls ask me to be or not to be  
The person who will take their anal virginity  
I always do but  
I still make sure to wear a condom  
Cause my sperm's so famous it could make you  
pregnant in your bum

I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
A lot of people know I exist  
I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
You are not so you are shit

If a lot of people know who you are means you are a  
talented artist  
In order to be super famous you have to be the most  
smartest  
When I am on the red carpet or at celebrities parties  
Fat kids are on my dick like hot bitches on smarties  
More people know me than there are people on the  
Earth  
In all the thousands of countries people are singing my  
words  
Even in the countries where people die cause they are  
so poor  
They save up to buy my albums instead of going to  
grocery store  
Cause I am more famous than food that's right you  
heard me  
More people know me than there are people who know  
how to eat  
I am more famous than mountains  
I am more famous than watches  
But if you wanna hang with me make sure your panties  
are crotchless  
I am like Lee Harvey Oswald  
I shoot really fast  
All over your face until your head flies back  
Back back into the left  
back back into the left  
For your safety wear a helmet and a semen proof vest  
Yeah the Eiffel tower is a lot like my dick

It's big and it stings when soap get inside the tip  
My sex moves are like the movie Die Hard With A  
Vengeance  
They're awesome and Jeremy Irons is a good bad guy

I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
A lot of people know I exist  
I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
You are not so you are shit

The girls up North wanna get all up in my butt  
Cause even though I am Canadian I am even famous  
than Canada  
I'll light a dick fire to warm up your cold vagina hands  
Then I'll cover you in white like the Klu Klux Klan  
All the Mexicans love me down in South America  
From Columbia to Brazil all the way to Algeria  
I am Che Vagina I liberate girls from oppressive pants  
I am Fidel Astro the dictator of ass  
I am Sodomy Hussein the king of being hung  
I am Queen Ejizzabeth I wear a crown of cum  
I am President "Hard As A Rock" Obama  
I'm reforming the health care system  
Wait that wasn't sexual  
The paparazzi follows me every day in my life  
I am like Princess Diana except I am alive  
I am like AIDS everyone has heard of me  
I am happiest inside vagina I got HIV  
I am on the cover of magazines, the headline of the  
newspapers  
Reads "Hide your daughter MC Vagina's gonna rape  
her"  
Woah! Woah! I didn't write that  
Sorry, sorry that was me, my bad

I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
A lot of people know I exist  
I am very super famous  
Super famous super famous  
[BITCH]  
Very super famous  
You are not so you are shit

Oh Yeah, fame is like a tree  
It helps you get pussy  
For all you French ladies out there "Le feu sur le cheval  
Ã©tait brisÃ©, BITCHES !"  
I am out of here  
I am going to a party with other famous people like Puff  
Daddy and Brad Pitts  
Peace off
