Head down as I watch my feet take turns hitting the  
ground

Eyes shut, I find myself in love racing the Earth

And I soaked in your love

And love is right in my path, in my grasp

And me and you belong

I wanna run, run smack into you

I wanna run, run, smack into you

Ears closed, what I hear the world just has to know  
Cause' I know that what we have is worth first place in  
gold

And I soaked in your love

And love is right in my path, in my grasp

And me and you belong

And I, I wanna run, run smack into you

I'm willing to run, run smack into you

Whoaaaahooo whoaaaahooo

Head down as I watch my feet take turns hitting the  
ground

Eyes shut, I'm in love and I'm racing the Earth

And I soaked in your love

And love is right in my path, in my grasp

And me and you belong

And I wanna run, run smack into you

I'm willing to run, run smack into you

I'm willing to run run run run run ooh ooh ooh ooh

I wanna run, run smack into you

I'm willing to run, run smack into you
