And you can never go back

Well Jackie
you can be anything you want
Well that's what they said
when you were young
But you never been good at movin on

Are you still at the corner restuarant
Meetin Jamie McKay when you get off
Don't you know that its all a sameri

And you can never go back
Running with the young
and the restless
Nothin better to do
Nothin yet to loose

And you can never go back
To avalon
Stolen with the bold
and the beautiful
Those days are gone
Don't you know those days are gone
And you can never go back

Whoa Whoa Whoa
You can never go back
Whoa Whoa

Jackie didn't you say you'd be a star
Maybe it was the world that made it hard
Or maybe you've just forgotten who you are

Can't you see
that you're living in the past
Maybe this is the time
for me to ask
Are you ready to move on,
its been too long

And you can never go back

Running with the young
and the restless
Nothin better to do
And nothin yet to loose
And you can never go back
To avalon
Stolen with the bold
and the beautiful
Those days are gone
Don't you know
those days are gone
And you can never go back

And you can never go
And you can never go
Back to
Runnin with the young
and restless
Nothin better to do
Nothin yet to loose
And you can never go back
To avalon
Stolen with the bold
and the beautiful
Those days are gone
Don't you know
those days are gone
And you can never go back

Whoa Whoa Whoa
Go back.
And you can never go back.
Whoa Whoa Whoa
You can never go back
You can never go,
no you can never go,
and you can never go back
