All this time, I'm thinking of myself
I won't worry 'bout nobody else
'Cause we're all just going through changes

And now but I think, I can make it
I don't know how much money I can take, baby

Hell no must I suffer out here on my own
7 days and I'll be coming back home

Once again and we're running in circles
Tryin' to figure out which way to go
But we always end up right where we started

I've been down but I think, I can make it
I don't know how much money I can take, baby

Hell no must I suffer out here on my own
7 days and I'll be coming back home, yeah
7 days, I'll be back home, yeah
I don't wanna say goodbye, no more

Hell no must I suffer out here on my own
7 days and 7 days and 7 days
And I'll be coming back home
7 days
