Iâ€™m alive, and Iâ€™m here to stay  
I wanna show you, that it can happen someday  
But I need to prove, why Iâ€™m standing here  
I want you all to know

That you can do it, the way I did  
You can live it, the dream that I dream  
But I need to prove, why Iâ€™m standing here  
So please get ready now

Weâ€™re ready to go, ready to show, so come on down  
'Cause Iâ€™ll be the party  
Weâ€™re ready to go, so come on baby Iâ€™ll be the party

Come and get me, say you will  
I wish you knew me, and the way that I feel  
'Cause all I want is, what Iâ€™ve got, and being here with  
you

Just let me get this one, thereâ€™s no second chance  
You can only pull back, what you got in advance  
I just need to prove, why Iâ€™m standing here  
Please get ready now

Tonight the musicâ€™s gonna move your feet  
With every soul emotion on a beat, get ready
