You can't wrap me up, and expect me not to be hurt
You can't get me down without getting your hands in
the dirt

'Cause no one's gonna tell me how to live my life, Oh
no

Please don't fill me up with your moral talks
And "the good old days"
Please don't tell me what to do, I'll make my own
mistakes

'Cause no one's gonna tell me how to live my life
Yeah, no one's gonna roll this thing but me

This side up, turn it down, in my world, everything is
round
This side up, I will never stop
One way out, straight ahead, same way in, don't be
afraid
I got this side up

You can't run me down, and think you'll get away
with it
You can't risk it all, without losing every single bit

'Cause no one's gonna tell me how to live my life
Yeah, no one's gonna roll this thing but me

This side up, turn it down, in my world, everything is
round
This side up, I will never stop
One way out, straight ahead, same way in, don't be
afraid
I got this side up

I'm gonna turn the whole thing around
I got to see if it's upside-down
I know the arrow could go anywhere
But I'm sure it's gonna point up here
HEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEAY

Yeah
This side up, turn it down, in my world, everything is
round
This side up, I will never stop
One way out, straight ahead, same way in, don't be
afraid
I got this side uuuuup

I will never stop, I will never stop..... yeaah
