I look at te world,  
And what it's gone through.  
There's not much time for me or for you,  
I just sit and wonder.  
Destiny I ponder.

Oh yeah, oh ho ho...

Just looking for time,  
To dream and to think.  
A cool summer rain,  
My life on the break.

It's a world of phases,  
In need of many changes.

Oh yeah yeah, yeah hi.

All I need is some peace,  
A little peace of mine please.  
A little space so I can breath,  
That's all that I need.

Just give me answers to the questions that I have,  
Don't know what I'm gonna find.  
But I'm sure it's worth a laugh,  
So many stories told, I hear them every day.  
It's all so crazy, I just gotta get away.

All I need is some peace,  
A little peace of mine please.  
A little space so I can breath,  
That's all that I need.

Yeah, It's all I need,  
Oh oh, yeah yeah.  
It's all I need,  
No no no no,  
Yeah, It's all I need.  
It's all I need...
