How can you walk alone child
How can you walk alone
How can you walk alone child
How can you walk alone
Everytime I look into your eyes
I feel the pain inside
How can you walk alone child
How can you walk alone

I feel it, I feel it, down inside yes
I see it, I see it all the time yes
Im bleeding, Im bleeding from inside
Can Christ see it
Someone heal me
Before my times up

Why cant I sleep at night dear
Why cant I sleep at night
Why cant I sleep at night dear
Why cant I sleep at night
Everytime I try to close my eyes
The nightmares arrive
Why cant I sleep at night dear

I just cant sleep at night

I feel it, I feel it, down inside yes
I see it, I see it all the time yes
Im bleeding, Im bleeding from inside
Can Christ see it
Someone heal me
Before my times up

Im telling you, better listen to me
This is what its gonna take for your soul to be free
If you feel like pushing to the edge
Better take a step back, find a friend
Or something you can hold on to
Thatll make you feel better, thatll make you cool
And if you got one, give it to me so
I can finally be set free

How do you walk alone child
