Contrary to what you are thinking or what you believe
I'm here to dispell all the misleadings then all the
deceit

I'm putting it out on the table, my heart on my sleeve
One for the cause, 'cause I'm able to settle the score

I'm not the boy next door

I may be your lover
I may be a freak
I may be your boyfriend's worst enemy
I may be a nice guy
I may be a whore
I'm here to tell you for sure
I'm not the boy next door

So many times you've been jaded by all of the games
So many boys masqueraded as love's precious flame
I'm not the devil and I'm not an angel, just a human
being

The good thing is that I'm able to tell you for sure

I'm not the boy next door

I may be your lover
I may be a freak
I may be your boyfriend's worst enemy
I may be a nice guy
I may be a whore
I'm here to tell you for sure
I'm not the boy next door

I'll come to your house, I'll fix your plumbing
I'll fix your TV set if it's humming
Holler, holler...that's what I'm here for
'Cause I'm everything but the boy next door

I may be your lover
I may be a freak
I may be your boyfriend's worst enemy
I may be a nice guy

I may be a whore
I'm here to tell you for sure

I may be your lover
I may be a freak
I may be your boyfriend's worst enemy
I may be a nice guy
I may be a whore
I'm here to tell you for sure

I'm not the boy next door
