I don't know how to feel.
Let the words come easily to me.
You seem lost in your thoughts.
I find it hard to breathe.
Why won't you tell me what it is?
It's driving me crazy trying to second-guess you.

[Chorus]
Don't say you love me;
I don't believe it.
Don't say the words if you don't mean it.
Don't wanna hear it out in the open.
Keep it inside if you don't mean it.
Don't even wanna talk about it;
I know that I could live without it.

If it's right,
If it's wrong,
Would someone let me know?
It's a game
I can't play
Do I just let you go?
Maybe it's just the way it is.
I get the feelin' that you know it's over.

[Chorus]
I just don't wanna talk about it;
God knows I could live without it.

Don't say you love me;
I don't believe it.
Don't say the words if you don't mean it.
Don't wanna hear it out in the open.
Just say goodbye if you don't mean it.

No. Oh no, no, no.
If you don't mean it.
If you, if you, if you don't mean it.
Don't even wanna talk about it.
