Those are the things that nobody tells you
Those are the things that nobody knows
There is a key but you'll never find it
Up to the house where nobody goes
Standing in line down at the station
Hundreds of men without a home
There are some things that nobody tells you
Deep in their hearts where nobody goes
Ooo-oh oh-oh what you don't know
Ooo-oh oo-oh you'd be surprised by what
You don't know

SOLO

Deep in the night a thousand questions
You gotta see right thru the dark
You got to hear and not even listen
Nobody tells you who you are
Ooo-oh oh-oh what you don't know
Ooo-oh oo-oh you'd be surprised by what
You don't know

SOLO

It scares a man when he discovers
Half of the truth is a part of a lie
A woman knows knows what she loves but
Those are the things that nobody tries
Ooo-oh oh-oh what you don't know

Ooo-oh oo-oh you'd be surprised by what
You don't know
