I've been warped by the rain driven by the snow
I'm drunk and dirty don't you know but I'm still yea
willing
Drivin the road late at night
I see my pretty Alice in every headlight Alice Dallas
Alice
I've been from Tucson to Tukumcari Tehacepi to
Tanapah
Driven every kind of rig that's ever been made
I've driven the back roads so I won't get weighed
And if you give me weed whites and wine and you show
me a sign
I'll be willin to keep moving

SOLO

I've been kicked by the wind robbed by the sleet
Had my head stoved in but I'm still on my feet
I'm still willing

I smuggled smoke for folks in Mexico
Baked by the sun everytime I go to Mexico I'm willin
I've been from Tucson to Tukumcari Tehacepi to
Tanapah
Driven every kind of rig that's ever been made
I've driven the back roads so I won't get weighed
And if you give me weed whites and wine and you show
me a sign
I'll be willin to keep moving

written by Lowell George
