[Hook: Kaos] (x2)

Oh yes mami, come over here and  
Lay your head on daddy chest mami  
And plus ill put them hickies down on  
Yo necks mami, we could be goin  
12 rounds without no rest mamiiii

[Verse 1: Kemo]

Say baby girl, its a shady world  
And I'm a gorilla up out that STL, they say we thurl  
I know my hands small, that don't mean nuttin  
Wait till you peep what's behind my drawers  
You ain't seen nuttin, comin out them jeans bustin  
Comin out them scenes flushin, so many rubbers  
down my toilet clogged and the neighbors seen  
sumthin  
These nights I dream of em, these nights I'm mean  
thrustin  
In and out, from the front to the back to the side  
Let me ride that mean muffin, now girl you know its on  
I'm bout to make you moan, ooh you lookin so tasty in  
them thongs  
You know you wrong, and baby when we bone  
We gon play this song, not Mary J. Blige, not no Joe, not  
Darnell Jones  
Let me on clear my fonk, baby Kemo be grown, Ima go  
so  
Alone you gon be like "what type of drugs you on?"  
Lemme skip the foreplay, down on our fours legged  
Down like you ol mami and you a rug off in her hallway

[Hook] - repeat 2X

[Verse 2: Kaos]

Hmm so you feelin frisky hmm? comin out them Vicki's  
Girl to lick me plus you tipsy hmm  
Why don't you and yo partnas go and get busy (yes'ir  
yes'ir)  
In the back of that Navi, girl what-every  
No clothes, but 3 hoes, Depris and Jackie  
Plus we bout to pick up so mo, but we gotta hit the

liquor sto'  
First mo, make a drive across that bridge cuz  
And hit that scene-o, meet wit 5, dime look for my derty  
Kemo  
It's about to be a freak show, that's what be crackin and  
it happens  
Every end of the week hoes, end up babbin and flabbin  
Bouncin to the Beat down the block, bout to hit up  
Castle Lot  
That's the spot, these freaks is geekin, kissin each  
other in the mouth  
Ya we like em hot, when it comes to a nah'jae baby  
You know where I be (hmm)  
Layin in the bed with her good friend  
Lettin yo best friend massage me

[Hook] - repeat 2X
