## "Angel"

Visit "[Angel](#)" on [MotoLyrics.com](#)

I can't read the future  
I still want to hold you close.  
Right now. I need that from you.  
So give me the morning  
Sharing another day with you  
is all I want to know.

And baby I, I've tried to forget you,  
But the light of your eyes still shines.  
You shine like an angel  
with a spirit that won't let me go.

I didn't want to tell you things I don't want to know  
myself was afraid to show  
You! You gave me a reason\  
Reason to face the truth  
Oh yes you did.  
To face the truth, face the truth face the truth

And baby I, I've tried to forget you,  
But the light of your eyes still shines. You shine like an  
angel  
with a spirit that won't let me go. Won't let me go.  
Let go of my heart.

And baby I, I've tried to forget you,  
But the light of your eyes still shines like an angel with  
a spirit that won't let me go.

No  
Won't let me go

Yo, no veo el futuro pero  
Quiero tenerte aqui  
Conmigo  
Lo necesito asi  
No pienses, no pienses en manana  
Vamos a amarnos hoy  
Ahora  
Este momento vivir.  
Mi vida  
Yo tratar' de olvidarte

Pero la luz de tus ojos  
Brilla  
Eres un angel  
Que alumbra mi corazon.

Yo, no quise decirte  
Lo que yo no queria saber  
De mi  
Tenia miedo sentir  
Pero tu, tu me enseñaste  
A enfrentarme a la realidad  
A la verdad  
La realidad, la verdad.

Mi vida, yo  
Tratar' de olvidarte  
Pero la luz de tus ojos  
Brilla  
Tu eres un angel  
Que alumbra mi corazon.  
Mi corazon.

Mi vida, yo  
Tratar' de olvidarte  
Pero la luz de tus ojos  
Brilla  
Eres un angel  
Que alumbra mi corazon  
Mi angel.
