Yo, no veo el futuro I, I don't see the future

Pero quiero tenerte aqui, conmigo But I want to have
you here, with me

Lo necesito asi I need it like that

No pienses, no pienses en manan'a Don't think, don't
think about tomorrowVamos a amarnos hoy We'll love
each other today

Ahora, en este momento vivir Now, in this moment to
live

Mi vida, yo tratare de olvidarte Baby, I will try to forget
you

Pero la luz de tus ojos brilla But the light of your eyes
shines

Eres un angel que alumbra mi corazon You're an angel
that lights up my heartYo, no quise decirte I didn't try
to tell you

Lo que yo no queria saber de mi What I didn't want to
know about myselfTenia miedo sentir I was afraid to
feel

Pero tu, tu me ensen'aste But you, you taught me

A enfrentarme a la realidad To face reality

A la verdad, la realidad, la verdad The truth, reality,
the truth

Mi vida, yo tratare de olvidarte Baby, I will try to forget
you

pero la luz de tus ojos brilla But the light of your eyes
shines

Eres un angel que alumbra mi corazon You're an angel
that lights up my heartMi angel My angel
